

Sports Turf Contracting Limited

We can transform the drainage performance of your football/rugby pitch all season for less than £4000!

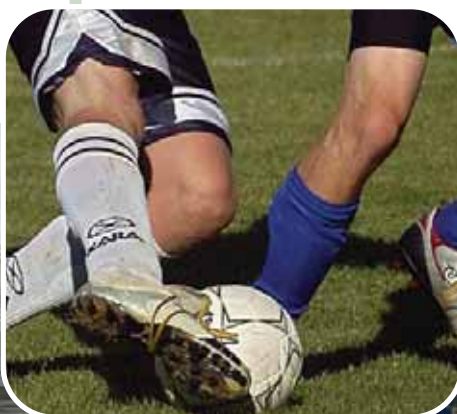

(includes: 60 tonnes drainage sand-machine hire/operator-travelling etc)

The sensational Vibra-Tine Sand Master is the instant solution to poor drainage with no disruption to play - Premier League clubs trust it and so can you!

Injects 1 tonne of sand per 100 square metres in continuous channels 20mm wide x 200mm deep x 250mm spacings and simultaneously decompacts the soil all in one pass
